## More from the Changeover

Out going Madam President Ros presenting Incoming Madam President Jennifer with a beautiful floral presentation.

A PhD Scholar funded by Australian Rotary Health hopes to reduce stigma surrounding severe mental illnesses such as schizophrenia and bipolar disorder, starting with the media.

PHF Awardees: The largest group ever to receive PHF awards on the one night in the history of the club. That's only a guess but it's probably correct.

## THE TL 2000 STING AND ITS BEST FRIEND

Some people are addicted to Rugby and some to AFL, some even like NRL and others are addicted to playing Bridge and some watch Cricket. There are Rev Heads, Book Worms, History Buffs and Garden Lovers but our Phil starts getting withdrawal symptoms if he doesn't spend time aloft quite regularly. Just ask him, he might even take you for a spin sometime. Offer to pay for the petrol.

I went to the cemetery yesterday to lay some flowers on a grave. As I was standing there I noticed 4 grave diggers walking about with a coffin, 3 hours later and they're still walking about with it. I thought to myself, they've lost the plot!!

**The back page,**

**No Taste**

**No apologies**

**Some times they're not even offensive**

**I'm reading a book about anti-gravity. I just can't put it down.  
The Flat Earth Society has members from all around the globe  
They told me I had type-A blood, but it was a Typo.  
If you are sitting in a public place and a stranger takes the seat next  
to you, just stare straight ahead and say, "Did you bring the  
money?"**
